
TA Round 3 - April 2

Posted by MountainRunner - 2009/03/08 17:16

Hi Guys,

The next track day has been rescheduled to Thursday April 2. The weather should be kinder so it's looking set to be a great day of driving.

Morning Session: Timed Laps on the Sprint Track with the last hour on the National for a taste.

Afternoon Session: Project Mu Series Round 3 on the Clubman Track. It's a points based series so everyone is welcome to book in. As you know we group the cars on lap times so there is a group for everyone.
